FINANCING

FACILITY	CCY	BALANCE (USD)	RATE
Lombard Loan	USD	-900,000.00	5.50%

Net asset value after financing: 3,400,000.00 USD. Alternatives and direct real estate carry manual NAVs struck at the dates shown — these lag public markets and should be treated as stale between valuation cycles. The entity name is retained (it is not personal data); the underlying individuals are redacted.

Training note — this is a TUNED statement. **Removed (confidential):** client name, residential address, account number, relationship-manager name, contact details. **Retained (needed for analysis):** instrument names & codes, quantities/nominal, prices, currencies, valuations and dates. The black bars mark redacted fields — learn to confirm every one is removed before a statement leaves the office.
